STM/DMin Courses

To be admitted to courses shown below, a student must already have earned a first theological (MDiv/MAR) degree. Senior-level students having completed at least 18 units may be admitted on a space-available basis if they have a minimum GPA of 3.50 and instructor permission. Other first theological degree students may be admitted if they have previously completed at least two courses in the same area (e.g., New Testament, Old Testament, History, Theology, etc.) with grades of B or better. No MDiv or MAR students will be admitted to 600-level preaching courses unless they have been in called ministry for at least three years, in addition to having the aforementioned credentials. First-theological students may not exceed 20 percent of the total enrollment in the course.

See separate course prospecti, when available, at <http://www.ltsp.edu/course-prospecti> for details as to advance preparation requirements and schedule.

| GRAD | ICS681G | Public Theology and Racism (June 26–30) | 1.00 unit |
| | | <i>Western Christianity has deeply entangled itself with white supremacist oppression and colonization in the United States and around the world over the past few centuries. This course will consider, from a theological vantage point, the logics of race and how it strangely imagined and produced a very different sociality than the witness Jesus lived and taught in scripture. Through social analysis, theological reflection, and historical context, we will grapple with the distortions of the Christian faith that aided in producing modern racism as we know it. By recognizing the touchpoints of western Christianity and white supremacy, we will seek to envision a fresh and necessary public articulation of the gospel for our 21st century society.</i> | |

| GRAD | SGN632G | The Destination Parish (June 12–16) | 1.00 unit |
| | | <i>Unlike the neighborhood church, a non-geographic parish attracts members because of something unique. This course examines the evolution of the congregation in the American churchscape and the appearance of the destination parish. This course specifically looks at the historic church, the international parish, the campus/university church, the ethnic parish, RIC congregations, and dinner church. Classes meet on Saturday at Washington Memorial Chapel. Lectures and readings will be supplemented by presentations from parishioners at the Chapel who manage the cemetery, the wedding chapel, the carillon, the Cabin Shop, and the Heritage society that has 501(c)(3) status. Because of the Chapel's distinctive history, the course also explores the development of American "civil" religion at the beginning of the 20th century.</i> | |
